

## Schedule of Performance BIB Meetings 24 & 25 October 2012 in Bristol, UK

### Wednesday 24 October 2012

#### Science Work Group Meeting

10:00 – 12:00 ***"Performance BIB Scientific priorities for 2013"***

**This meeting will be held in the Maple Room**

To be chaired by Sophie Vialis, Inter Rhône.

The Group will identify:

- a number of unresolved BIB Science questions
- the importance to the industry of knowing the answers
- priority subjects to pursue in 2013.

A technical discussion will also take place relative to the cardboard box, including the space occupied inside a BIB box by the filled bag to determine if the existing recommendation to keep a reserve of 0.5 L inside the box (in addition to the nominal volume) remains valid.

12:30 – 13:30 ***Lunch in the hotel restaurant***

A buffet lunch is available for all delegates

13:30 – 14:00 Please sign in, collect your badge and your interpretation headsets (available on a table at the entrance to the Forest Suite) well in advance of the seminar so that everyone is seated and ready to begin at 14:00 hours sharp

14:00 – 14:10 ***"Welcome to Bristol"***

A brief welcome will be given by Jennifer Bond, President of Performance BIB

#### BIB Wine Shelf-life Seminar

14:10 – 14:30 ***"Wine BIB Shelf-life study results and interpretation"***

Tony Hoare (Rapak, UK)

14:30 – 14:50 ***"Development of a standardized method for measuring BIB permeability and the link with SO<sub>2</sub> consumption in wines"***

Julien Ducruet (School of Engineering at Changins, Switzerland)
